Greyzdorf Retains Spire Consulting Group For Its Single Family Rental Communities

Spire Consulting Group Residential Projects

Atlanta, GA, June 12, 2018 – Greyzdorf announces retaining Spire Consulting Group, LLC to manage the construction of their single-family rental communities. Spire will take over the Greyzdorf's Covington community of 49 single family rental properties.

Greyzdorf will own and manage their communities and sell the single-family rental properties to investors.

For rental home investors, Greyzdorf Communities' properties are turnkey. Like a luxury apartment, our renters live among their peers, not other homeowners.

SPIRE CONSULTING GROUP, LLC

From single-family housing developments to high-rise condominiums and apartment complexes, Spire possessed the knowledge and insight to assist clients throughout every phase of a residential construction project. Spire has assisted clients on a variety of residential projects by performing construction engineering services such as cost estimating, schedule development and oversight, risk mitigation, project controls and claims support.

As a real estate developer, Greyzdorf LLC buys land, decide the marketing of the property, develop the building program and design, obtain the necessary public approval and financing, build the structures, and rent out, manage, and ultimately sell it.

Greyzdorf Communities in Georgia will have resort-style amenities, luxury in-home finishes, with fitness centers and walking trails.

As the general contractor, Greyzdorf Signature Homes, LLC owned and managed by home builders and land development members that are devoted individuals who represent over 7,500 homes constructed with over 130 years of joint home building experience. The managing members offer

specialized knowledge about local market conditions, including existing relationships with municipalities, property owners, subcontractors, and suppliers.
